BRILLIANCE
COLLECTION

G.P. GRANT

www.gpgrant.com

*Eleganza è leggerezza,
il battito di ali di un colibri
il lieve sussurrare del vento di Maggio.*

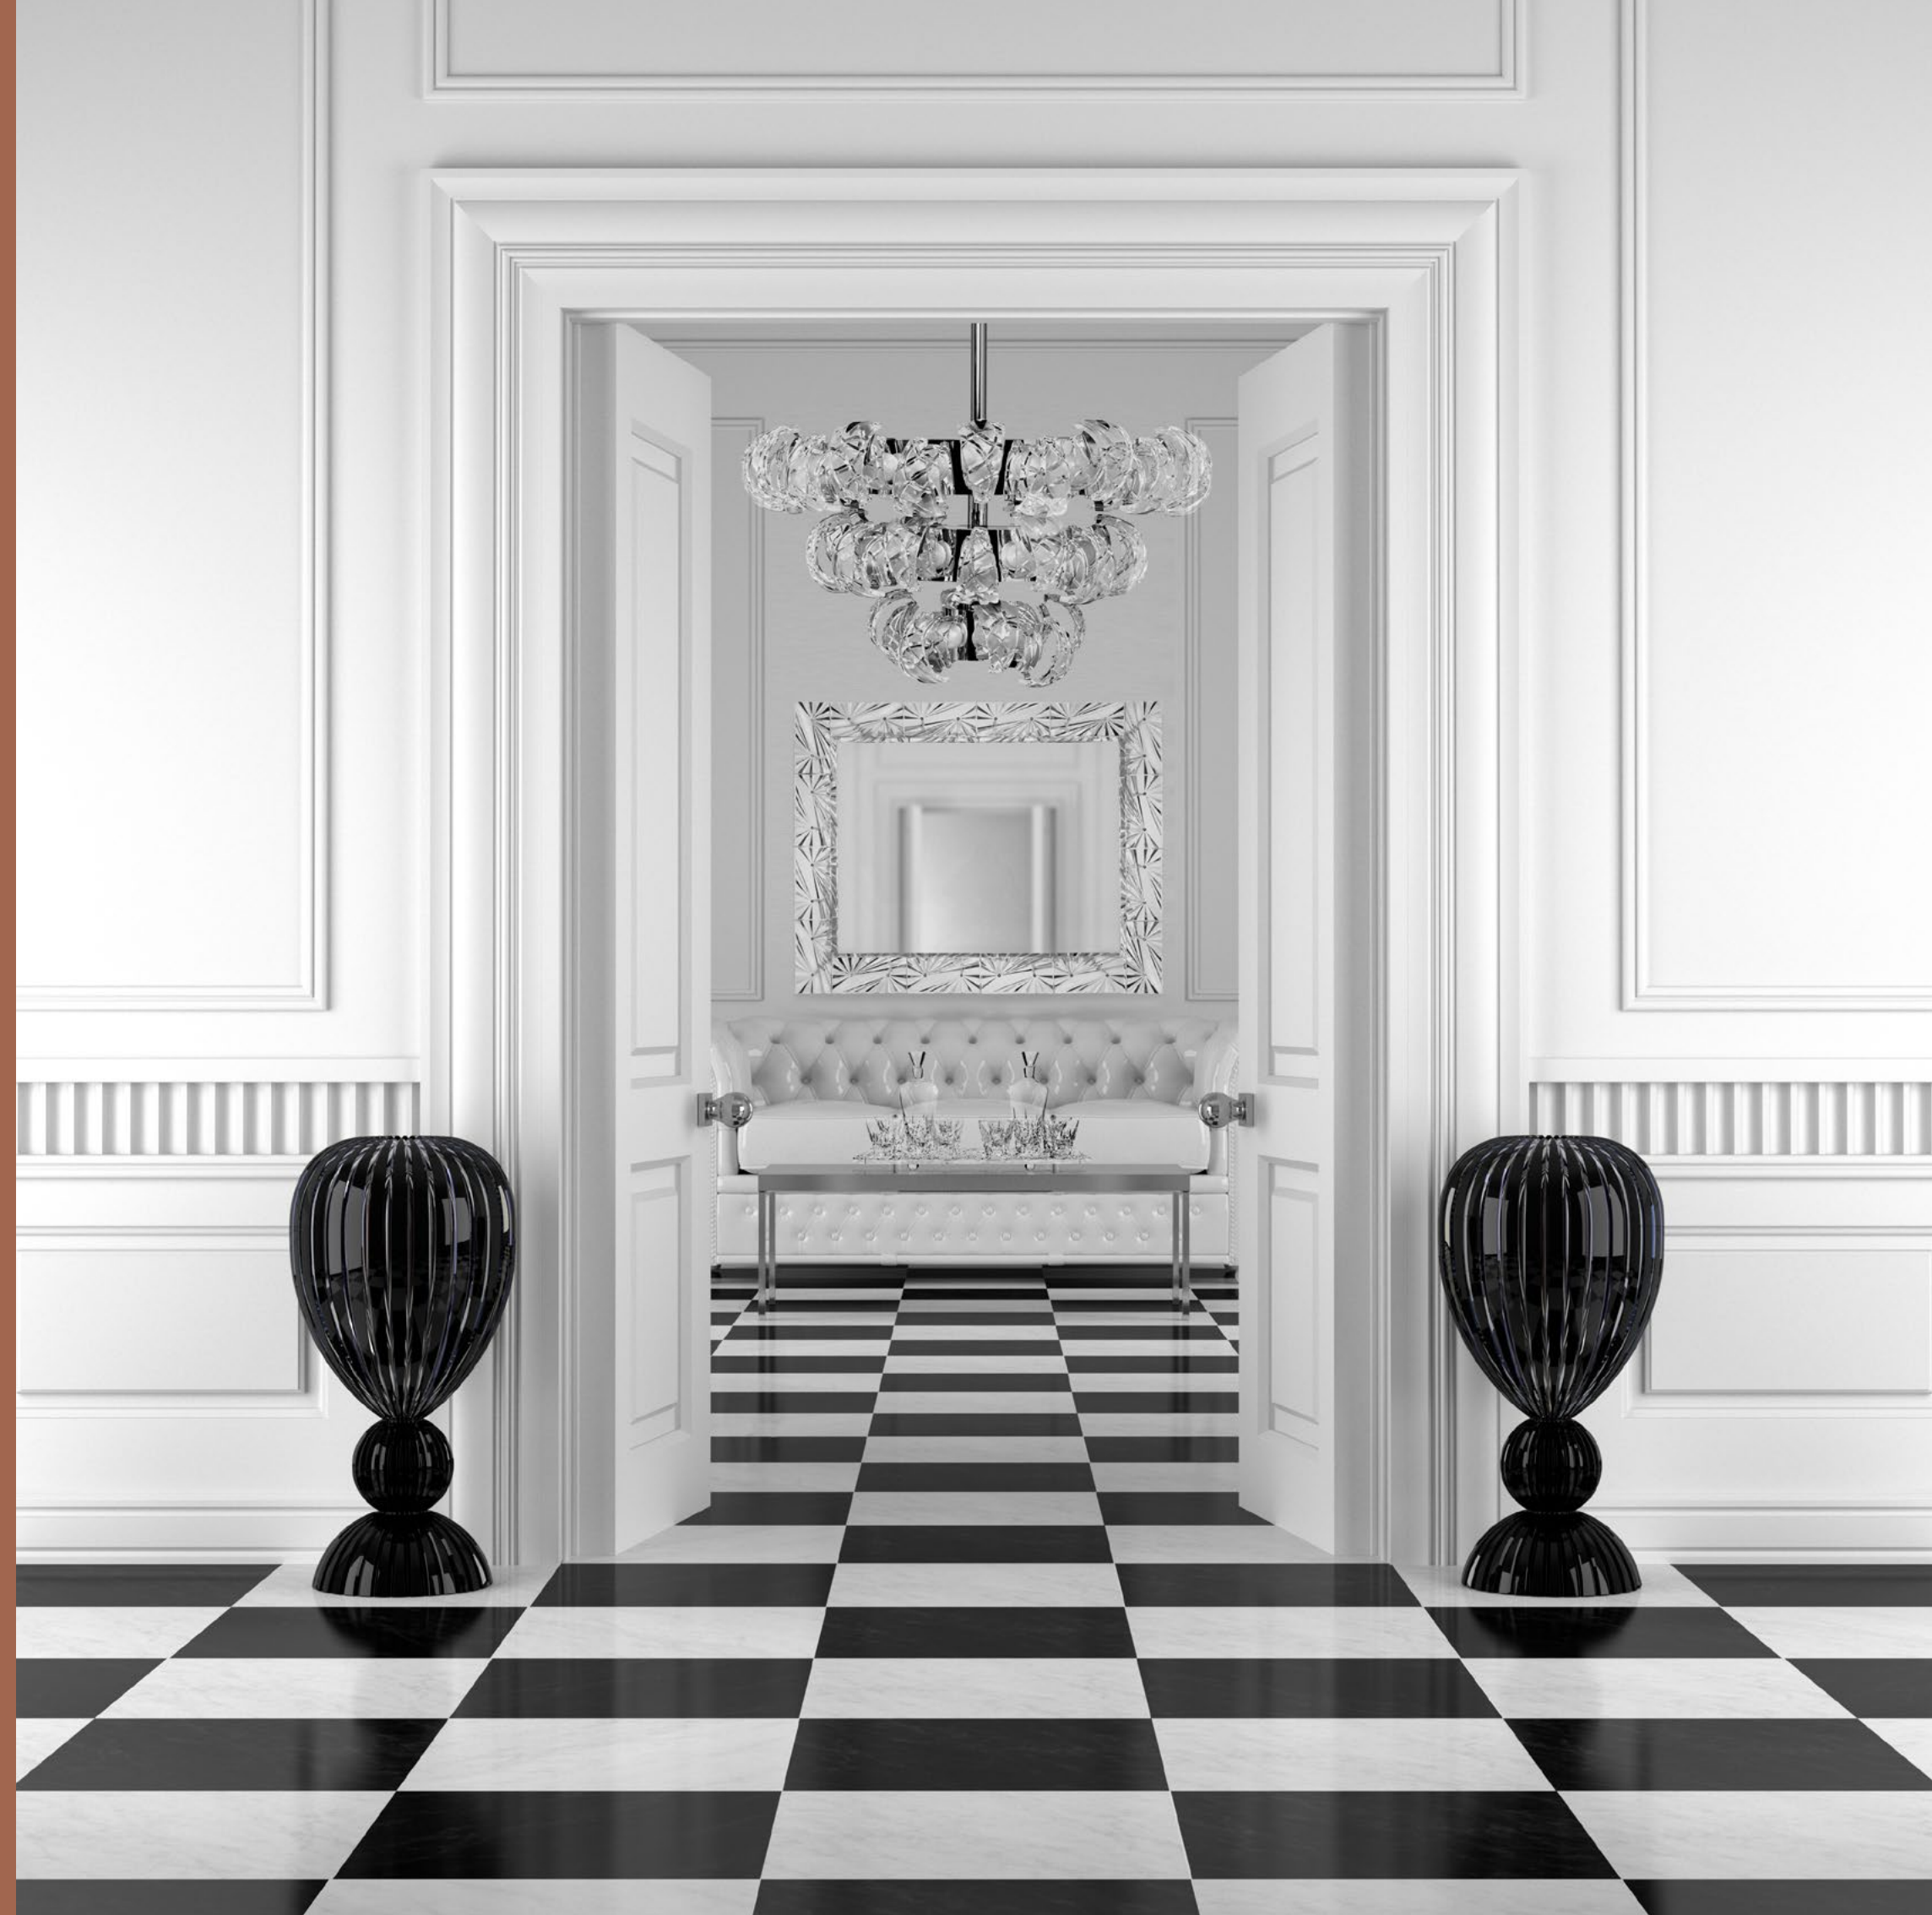

*Eleganza è passione,
il ritmo palpitante di un flamenco,
la danza sui tasti delle dita di un pianista.*

*Eleganza è l'anima
che rivela la sua presenza,
un afflato di invisibili suggestioni.*

*Elegance is lightness,
the beat of an hummingbird's wings
the delicate rustling of the wind in May.*

*Elegance is passion,
the palpitating rhythm of a flamenco,
the dance of the fingers on the keys of a piano player.*

*Elegance is soul
that reveals its presence,
inspiration of invisible suggestive feelings.*

LUXURY

FEELING

Elegance means balance.

Balance between tradition and innovation.

We have succeeded in combining the magic dexterity of master crystal makers with the rigorous precision of our quality control. This is why our creations thrive on the harmonious fusion of unique handwork with the absolute purity of crystal containing over 24% lead.

Choosing one of our creations means choosing quality, perceiving what is behind its beauty, and recognizing the style of an exclusive object capable of provoking emotions. These are objects where the inherent value of the purest crystal is made precious by the passion of those who are devoted to making it a work of art.

ODYSSEY

ODYSSEY

Interni come giardini, angoli di casa come sprazzi di verde.
La piacevole abitudine di passare il tempo a casa come al parco.

Interiors like gardens, house corners like flashes of green.
The pleasant habit of spending time at home like in the park.

FIOR-ERA

Scrigno che sprigiona meraviglie, rivelatore di autentici tesori per i sensi.
Una sorpresa sfarzosa che si ripete continuamente, come in una favola.
Le gioie più preziose sono spesso le più nascoste.

*Coffer that discloses wonders, revealing authentic treasures for the senses.
A magnificent surprise that repeats continuously, like in a fairy tale.
The most precious joys are often hidden.*
