MASTERCRAFTED IN ITALY

Capriccio

Referenze fotografiche: Archivi Alinari
Archivio Brogi, Firenze

This pattern is sculpted in matt gold and platinum in the solid glass; the materic look of this collection reminds the “non-finite” (the figure struggling to free itself, as if from the bonds of the rock in which it is lodged) of Michelangelo’s *Bound Slave* and *Dying Slave* sculpted for Pope Julius II and today at the museums of Louvre and Accademia in Florence.
